FROM THE ELLIS FAMILY

The Ellis family appreciates the continued support of everyone who has participated in our past Warrior Day Golf Outings and welcomes those who will be joining us for the first time. Our inspiration for starting this event and The Nicole Ellis Foundation was born out of love for the memory of our daughter Nicole Shawnte Ellis. (*Nikki to all who knew and loved her.*)

This golf outing in Nicole's memory will benefit The Nicole Ellis Foundation, a 501(c)3 corporation. Proceeds will benefit The Nicole Ellis Scholarship Fund at Marquette University, the American Liver Foundation, Make-A-Wish Foundation and Variety, the Children's Charity. Through the storied generosity and spirit of the Marquette family, the Greater Milwaukee and Chicagoland communities, this has all come together. Our Nikki was so full of life and involved with so many passions. Among them were Marquette sports. She loved Marquette's men's and women's basketball so much that she joined the womens team as a manager Nikki just wanted to contribute in whatever meaningful way that she could.

Nicole had decided early in life to be an organ donor, and she proudly displayed that fact on her driver's license.

Unfortunately, her sudden liver disease compromised all her organs - except, of course, her heart. She would be so happy to know that, through you she is still showing her great heart by helping others. Her life meant a great deal to us, and we truly appreciate your involvement with this foundation, which assures us that her memory will always be kept alive.

Sincerely,
Bo, Candy and Christina Ellis
